RENEWAL APPLICATIONS.

Owing to the number of changes in the address of members, and the absence of any named beneficiary in a case of death and other reasons, it has been found necessary to adopt a renewal application form similar to one on opposite page, which if properly filled up will give all the information required.

These Renewal Application forms will be sent to each member along with the Voting Paper in November. Non-resident members intending to renew their subscription for the ensuing year are requested to fill them up and forward same to Secretary, or retain them until certificate is wanted when they can be sent along with the amount of subscription.

Montreal members when applying personally for certificates should bring the application with them or fill up one at the Secretary's Office. Members when not applying personally should see that their renewal application is in the hands of the Secretary before application is made for certificate, to enable the Secretary to correctly make out same and issue Insurance certificate at same time.

The following page gives a specimen of how Jno. Smith fills out his application, which is done correctly :

SIXTEENTH ANNUAL REPORT

OF THE

Dominion

Commercial Travellers Association.

Presented at the Annual Meeting, Dec. 13th, 1890.

In submitting the SIXTEENTH ANNUAL REPORT and FINANCIAL STATEMENT, your Directors again congratulate the Association upon the fact that the Statement indicates continued prosperity and compares favorably with those of past years.

By referring to the Treasurer's Statement, it will be seen that the total income for the year is \$26,384.25 and the expenditure, including assurance indemnity, \$15,354.48, leaving a net gain of \$11,029.77 carried to Capital Account which now reaches the handsome sum of \$92,132.80.

What is now becoming a gratifying and important feature of the Financial Report is the amount earned as interest on investments. The amount realized this year being \$4,444.28, a sum more than enough to meet

the ordinary working expenses of the Association. During the year 359 new members have been added to the roll, while 235 old members failed to renew their subscriptions, leaving our present membership 2180.

We regret to have to report the loss by death of a larger number of members than in any previous year. This fact is partly owing to the prevailing epidemic of "La Grippe" at the beginning of the year when several of our members succumbed to this disease alone. Altogether seventeen of our members have been removed by death and the sum of \$10,800 has been promptly paid their families. It is of course, reasonable to expect that as the years advance, the payment of mortuary benefits will increase and become more numerous. In this connection your board beg to report that the proposition made at last Annual Meeting to increase the amount of mortuary benefit to members over ten years standing, has been carefully gone into, and they would recommend that the amount be increased from \$1,000, at the rate of \$25 per year after the tenth year, to \$1,200.

During the early summer our late Treasurer. Mr. R. B. Hutchison, resigned his position, owing to his removal to Toronto. Your Directors feel this to be a great loss to the Association as well as to themselves, as Mr. Hutchison always took a lively interest in all Association matters, and his wise councils and good judgment always prevailed. The Board chose Mr. Geo. Sumner to fill the vacancy, who kindly consented to accept the office for the unexpired term.

Through the earnest solicitation of the officers of the "Travellers Protective Association of America" to send a delegation to their 8th Annual Convention, meeting at the City of Denver, Colorado, in June last, your Secretary was sent as a representative of this Association and was most cordially received and many marked attentions shown him. As many of the State divisions of their Association are struggling for existence, his remarks before the convention—giving the history and workings of this Association as well as its numerical and financial strength—were listened to with great interest and surprise. A mortuary benefit scheme similar to our own was adopted at the convention, and it is hoped this will infuse new life in what should be a large and powerful organization.

Your Directors are happy to state, that although the Association is composed of so large a number and with so many different temperaments, that the utmost harmony and good feeling exists among its members, and they trust this may always be so, and that in our ranks, strife and discord may be unknown. With these essentials the Association will continue to flourish, and with unity of purpose, may become a tower of strength in our land.

Respectfully submitted,

H. W. WADSWORTH,

Secretary.
